

UTOPIA VIBE

Table Flush Mount Charger

The Utopia Vibe chassis places our Utopia and Utopia Mega chargers flush in your table. Designed for use on tables and bar top areas to offer guest's convenient wireless charging.

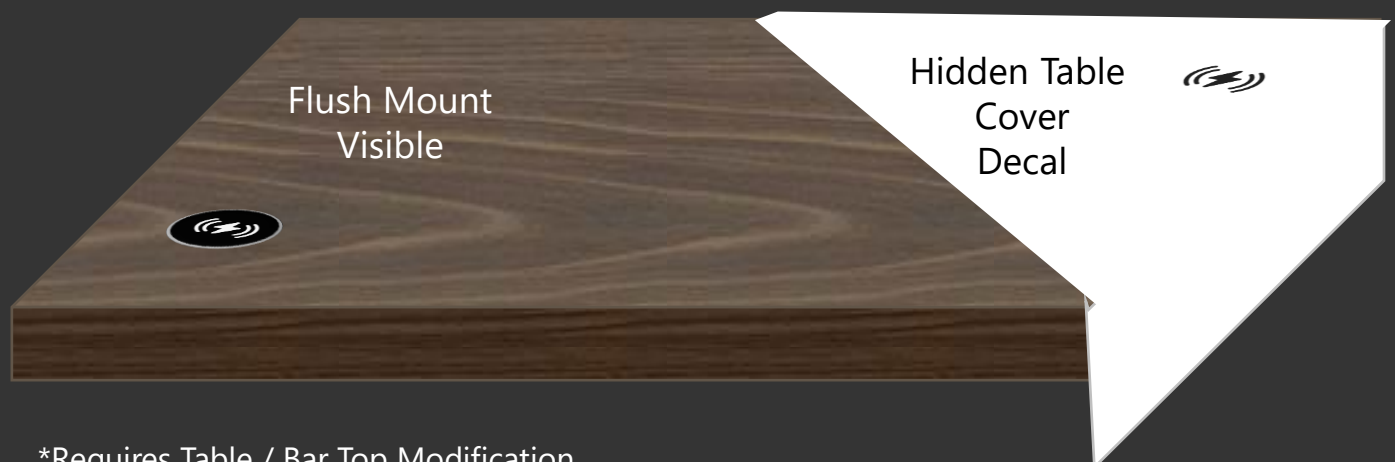

*Vibe can be ordered with new table and bar tops or retrofitted to existing ones during major remodeling by furniture manufacturers. Please contact your TD Sales Representative to see if your furniture can be retrofitted for Vibe housing.

Powered by our intelligent rechargeable+ //DynaBattery technology. We have made it simple to add a wireless charger to new table or bar designs securely. Features easy service access with our scissor top access.

Each unit is mounted flush on table with visible charging logo or hidden under table cover with a small top decal. Add our Dynamic Table Application for the ultimate guest experience

//DYNA-BATTERY Self Powered Modular Charger

*Requires Table / Bar Top Modification.

+Central Park Dock recharges up to 12 Utopia / DynaBattery Units.
